# Preliminary Findings

# Barriers to Entry:

*“kinky salon is kind of secret but it’s not closed, it’s not like you need to know someone to get in.”*

## **P.A.L System (Pervy Activity Liaison)**

**Whether you are male or female, if you want to come to Kinky Salon without a date these rules apply:**

- When you come to Kinky Salon you must bring a PAL with you**
- You can't PAL someone you don't know. You must know them and trust them.**
- Your PAL can be the same gender, the opposite gender or even a couple**
- You are responsible for your PALs behavior and they are responsible for yours!**
- If either of you violate the charter you will both be held responsible**
- You must arrive together and we recommend leaving together**

## Barriers to Entry:

**The Kinky Salon Charter was created by the community and states our intention and our standards. We created it so that it would be super easy for newbies to understand how to behave at our events. Follow these simple do's and don'ts and you'll fit right in:**

### **DO**

**Be creative about how you dress  
Contribute when and where you can  
State your boundaries  
Play safely and consensually  
Have sensible safe sex practices  
Respect our space and each other  
Clean up after yourself**

### **DON'T**

**Linger unaccompanied in play spaces  
Cruise aggressively (even if they are really cute)  
Get too intoxicated  
Take photographs  
Gossip about what goes on here**
